MORE GIRLFRIENDS AND WIVES IN V-MAG, PLEASE!

Dear *Voluptuous*,

I love *Voluptuous* magazine and love the DVDs. I was just thinking that it might be cool if you had a section in the magazine where guys can send in pictures of their girlfriends or wives. Keep up the good work! -Jimmy, Staten Island, New York

Dear Jimmy: We are always looking for new V-Girls and encourage readers to send in pictures of their girlfriends and wives. However, we ask that readers visit our site, BeAScoreModel.com and submit their shots there so that we can review the pics and bring these busty finds to V-mag headquarters in Miami where they can have a professional photo shoot in our studio.

ASSHOLES: NO! NO! NO!

Dear *Voluptuous*,

I write this letter with a heavy heart

Some readers thought that a spread of Arowyn's spread asshole was a great idea!

and a limp dick. When I saw the July '09 issue's tribute to assholes, I was turned off. I mean, assholes are fine, but when I see a woman walking down the street with a great pair of tits, I don't automatically think, 'Gee, I wonder what her asshole looks like?'

I think you guys need to stick to the winning recipe and feature more tits and less butts. One or two shots of assholes are fine, but I counted 18 spread asshole shots and that is about 16 assholes too many, if you ask me. Especially huge shots like the one in Arowyn White's photos. I turned the page and there it was, two whole pages of blinding asshole. That should have been a two-page shot of her tits.

Other than the asshole issue, I give you guys two thumbs up! -G.Y., Rock Hill, South Carolina

Dear *Voluptuous*,

First let me thank you for what is normally a fantastic tit mag in *Voluptuous*. I've been a fan for many years and can remember some of your first issues.

The latest issue, though, July '09, is not up to your usual high standards.

Some of the models are not particularly, "voluptuous," and the, "plumper of the month," in particular doesn't really qualify as plump at all.

I also don't like the emphasis this month on assholes. Fair enough if you want to show a few pages, but I hope that we don't see each model pictorial from now on having a large close-up of their asshole. This is a big tit mag and, while I like the hardcore parts, I don't you to waste space on ass close-ups. Thank you. -Iain, Scotland, UK

ASSHOLES: YES! YES! YES!

Dear *Voluptuous*,

Show more buttocks, please! Arowyn White in the July '09 issue was so improved by having that great asshole shot! Why not make it a policy to have at least one such shot in every layout? Sure, we love the girls' tits but we also want to see the buttocks.

Arowyn is not my favorite girl in the July '09 issue, but her layout was my favorite because of that one asshole shot. Keep it up, please!

-A.B., Oak Ridge, Tennessee

Dear *Voluptuous*,

Way to score a home-run with your July '09 issue. All the girls were stunning and I was particularly impressed by your tribute to tasty tushes. I think that it's impor-

Some readers thought we should just have featured Arowyn's big tits.

We always try and find a common ground in the tits vs. ass debate.

tant to remember that although we are tit men, that we also like sex, right? Some of us might even like anal sex! Go figure! I know that I have a particular fondness for a woman's ass and I have often wished that you had included a shot of some of your models' puckered assholes so that I could imagine sliding my hard cock right in there. I am in no way criticizing the amazing boob shots you feature every issue, because they are fantastic. But I am glad that you remembered to include some other parts of these women's tasty anatomy.—H.J., Manchester, New Hampshire

Dear G.Y., Iain, A.B., and H.J.: Here at V-mag headquarters, we get lots of letters giving both praise and criticism concerning the tits vs. ass debate. For every letter we get from a reader who wants more asshole shots, we get another from a reader who says that these shots should not be commonplace. What we try to do is feature a few shots of spread cheeks to accommodate our tit men who like to go in through the backdoor. And from time to

time, we feature a special on asses, too. Does this mean that we give you less tits? No. We pride ourselves in bringing you lots of boob flesh, both returning models and newcomers, with every issue and will continue to do so. However, we always welcome all of your opinions because after all, this is YOUR magazine and we appreciate your input. So what say you, tit men? More or less ass?

LONGTIME READER, FIRST TIME WRITING IN

Dear Voluptuous,

As an overseas reader of Voluptuous for the last four years, I wanted to put pen to paper for the first time and compliment you on your fantastically produced magazine and make some comments on recent issues. I always find a girl's face the most-important feature. If that turns me on, then that girl hooks me. Her breast size is irrelevant and if she does hardcore, it is an added bonus, but not essential.

I really enjoyed Amber Lee's January '09 pictorial and I thought that the April '09 issue (which I recently purchased) is one of your very best. Skarlett is outstanding

Reader T.P., thinks that Ashley Sage could pass as April McKenzie's younger sister.

and her pictures on pages 32 and 37 really jumped off the pages! No 3D glasses needed for those. She wanted positive feedback about possibly doing hardcore and my answer is YES, PLEASE!

It was also great to see Georgie back as well. She has a great face and excellent body. Maybe we could get Georgie and Skarlett to do hardcore together?

And finally, I'd like to mention Ashley Sage Ellison. She could easily pass as April McKenzie's younger sister. I hope you get her back as soon as possible. She has a great future. Hopefully she will take her panties off next time and show us her all-around beauty. After all, Kelly Kay started off slowly and then posed more explicitly.

And I will end this letter with a question. Has Tera Cox really stopped modeling? I miss her.—T.P., Perth, Western Australia

Dear T.P.: Tera Cox is one of those V-girls who had such a beautiful face and great rack, that when you saw her, you knew that she was destined for greatness. Unfortunately, she has taken a hiatus from modeling and as far as we know, only posed for us. Perhaps she will return to us one day. (We can hope, right?) We will remember her fondly for her raunchy XXX debut in Pounding the Pledges and for her titillating three-way with April McKenzie in Tits On Top. You can score a copy of these DVDs by going to eBoobStore.com. Because Tera was one of our favorites, too, we'll give you a bonus shot of her great cannons. Enjoy it!

We all long for the return of beauty Tera Cox and her full F-cup tits.

**PRAISE FOR TRUDI'S
PUSSY AND PUBES**

Dear *Voluptuous*,

My dick was glad, hard and erect seeing awesome Brit model, Trudi, back in the magazine with her large, pink pussy lips. Trudi's lovely, furry triangle of pubes pointing the way to a luscious meaty pair of pink lips was wonderful. My cock aches to be engulfed inside of Trudi's cunt. My favorite shot was Trudi lying on her back, spread legs with her wet slit being stuffed by her toy.

I imagine pumping my dick deep inside Trudi's hot, wet cunt. It would squeeze my dick with those huge lips. I would love to suck each of her pink nipples while I fuck her slit, too. Coating Trudi with my hot goo is my ultimate fantasy. I'd probably have trouble figuring what to cover in my hot cum, her pubes or her tits.

Thanks for another great jacking issue, especially with Trudi's beautiful pussy lips and tits. You guys are doing a really great job. Bring her back ASAP!
—B.C., Old Bridge, New Jersey

Dear *Voluptuous*,

You guys have finally featured a girl

that I can really fantasize about and hopefully meet someday. No, I am not talking about Karina Hart or Christy Marks, which are obvious choices and although beautiful, not my cup of tea. I am talking about Trudi Stephens from the July '09 issue. With her hot red hair and her panties full of pubes, she is my dream girl. I love edgy-looking gothic chicks and I am a sucker for a pussy that is covered in bush. Not a full bush, but a good amount pubes. Trudi fits the bill. She is what I call perfection.—W.M., Rochester, New York

LOVIN' LATINA LOLA LUSH

Dear *Voluptuous*,

I had to write in and tell you guys how much I love your magazine. I was a fan before and then I got the May 2009 issue and I can now say that I am an obsessed fan! The reason boils down to my passion for thick women, especially any type of Hispanic woman. I am wild for chubby Latinas with big tits! I live in New York and I see them everywhere. On my way to work they ride the subway and I imagine them ripping off their tops. They walk around my office building in

Continued on page 87

Trudi Stephens, a redheaded J-cupper from the July '09 issue, caused quite a stir with her meaty pink gash, ripe pussy lips and her full patch of pubes.

Scarlett Rouge

**SO KINKY,
SHE'LL MAKE YOU
BLUSH!**

Interview by **Maria Guerrero**

Scarlett Rouge is the type of girl who could launch a thousand boners. With her angelic face and her full E-cups, this 20-year-old will charm the pants off of you...literally! And once she has your pants off, she is going to fuck you...a lot. How do we know that? Because if there was one thing that we walked away with from our interview with this blond bombshell, it is that she has a voracious appetite for sex. Some people may like sex, but Scarlett Rouge IS sex. She's oozing sexuality from her pores and isn't afraid to let you know what she likes in the bedroom or wherever else it is that she decides to fuck you.

But banging you and your buddy isn't the only contact sport that Scarlett is into. In fact, this California native plays rugby. That's right, she plays rugby with men and she isn't afraid of getting a little bruised up while she is roughhousing with the guys. We don't know about you, but that little fact made us want to fuck Scarlett even more. Get to know Scarlett Rouge. She's lusty and busty and so damn raunchy, that she will make you blush.

V-MAG: Welcome to Voluptuous, Scarlett. Thanks for joining us today.

SCARLETT: Hi! Thanks for having me. I'm excited to be here.

V-MAG: Where are you from, Scarlett?

SCARLETT: I am from Buffalo.

V-MAG: Home to Buffalo wings and the Bills! We like you already.

SCARLETT: [Laughs.] That's right!

V-MAG: And how old are you, Scarlett?

SCARLETT: I just turned 20.

"The trick to a good blow job? Keep sucking!"

V-MAG: And when did you start to grow those big boobs of yours?

SCARLETT: I first started developing when I was eight. I was a B or C cup when I was about 11.

V-MAG: Tell us your measurements.

SCARLETT: I think I am a 34 waist and I have 42 hips. No wait, it's 44.

V-MAG: And what about your tits.

SCARLETT: I'm a 38E. But I'm 5'4", so a lot of people think my boobs are even bigger than that.

V-MAG: And when you were younger, did the other girls tease you for having big boobs?

SCARLETT: Not tease, so much as they all really hated me.

V-MAG: Why did they hate you?

SCARLETT: They were flat-chested and really jealous.

V-MAG: That happens a lot. Jealousy and hatred and envy. Now, what do you do in Buffalo?

SCARLETT: I'm a student.

V-MAG: And what are you studying?

SCARLETT: I go to school for gaming and casino management.

V-MAG: That's interesting. And how did you get into that?

SCARLETT: I've always been interested in money. [Laughs.] And I love math. And in casinos there is a lot of auditing and I would like to do that.

V-MAG: So you are a math nerd?

SCARLETT: [Laughs.] Yes, I am!

V-MAG: You're a geek with big tits.

SCARLETT: And I'm a jock, too!

V-MAG: So tell us what a typical day is like for you, Scarlett.

SCARLETT: I wake up, shower and dress and go to school. Then I get out of school and go party with friends.

V-MAG: And what do you wear when you go to class?

SCARLETT: I like to wear jeans and low-cut tops that show my boobs.

V-MAG: And what about when you go out partying? Where do you go?

SCARLETT: I like to go dancing and just chill with my friends.

V-MAG: And what do you wear when you shake it on the dance floor?

SCARLETT: Normally, I like to wear skimpy little dresses.

V-MAG: You show a lot of cleavage?

SCARLETT: Oh, yeah! I love to show off my tits and get attention.

V-MAG: What kind of attention?

SCARLETT: Guys love to walk up to

me and say, 'Wow! Those are huge!' and it always makes me laugh.

V-MAG: Tell us a story about your tits and their attention-getting ways.

SCARLETT: One time, like a couple of weeks ago, I was out with my girlfriends and this guy walked up to me and told me that I was really beautiful and when I said thanks, he dumped his drink all over my shirt.

V-MAG: Wait...on purpose?

SCARLETT: Yeah, it was definitely on purpose. I was wearing this skimpy white top and when he did that, it became totally see-through.

V-MAG: What a jerk! Now we heard that you are a boxer, did you sock him one for doing that?

SCARLETT: No, but I should have! I just pushed him away and told him that he was a big joke.

V-MAG: Tell us about boxing.

SCARLETT: I don't box anymore, but I did a lot in high school. I loved it. It's a really good workout. And it helped me get into better shape when I was younger.

V-MAG: Did your boobs ever get in

the way when you boxed?

SCARLETT: No, usually I would strap them down with a couple of sports bras and a regular bra, too.

V-MAG: And we heard that you also play rugby, is that right? How'd you get into a sport like that?

SCARLETT: Well, my coach tried to get it approved as a high school sport but he couldn't because it was so violent. So we always just played after lacrosse practice. Just me and the girls from the team and sometimes our coaches would play, too.

V-MAG: So you play lacrosse, too? Wow! You are an athlete. A big-boobed, hot athlete. We'd go to all your games if we could. Just to see you bounce, er, play. And rugby is pretty rough, so you push your boobs all over other chicks, too, right? That's kind of hot, Scarlett.

SCARLETT: [Laughs.] Yeah, we'd be all over each other on the field.

V-MAG: So you like contact sports. Are you a tomboy?

SCARLETT: Yeah, I think I am. I like being girly when it comes to bras and panties and all that, but for the most part, I like sports and I like hanging out with guys.

V-MAG: Now what kind of guys do you like, Scarlett?

SCARLETT: I like skinny guys. I like them tall, too.

V-MAG: And are you into girls, too?

SCARLETT: Oh, yeah. I really love women. I actually have a girlfriend.

V-MAG: And she doesn't mind that you like guys, too?

SCARLETT: Not at all. She's cool.

V-MAG: So are you into guys more than girls?

SCARLETT: I like to be with girls in a rela-

tionship capacity, but I definitely like to fuck guys more.

V-MAG: Why is that?

SCARLETT: I just think that things get too emotional with guys and they get too possessive. I don't like it when a guy is like, 'Where are you? What are you doing?' I think that guys don't trust women.

V-MAG: And you don't think that women are like that?

SCARLETT: [Laughs.] Well, not my girlfriend. She is a sweetie.

V-MAG: Now, is she into men, too?

SCARLETT: Nope. Not at all.

V-MAG: But she lets you have fun on the side with men? That sounds like a good deal for you, eh?

SCARLETT: [Laughs.] Yeah! She thinks that men are okay but I just can't be with any other women.

V-MAG: And what about when you model? We are sure that women want to fuck you and lick you, right?

SCARLETT: Yeah, but she is okay with that, too. That's fine with her.

V-MAG: Your girlfriend has to be the most understanding woman on the planet, it seems. Does she fool around with you when you bring men home?

SCARLETT: Yeah, sometimes she will fool around with me. If I really like a guy and

women. We just know what to do because we have pussies. But I love being fucked by a man. There is no substitute for that.

V-MAG: And how did you decide to go into adult modeling?

SCARLETT: It's always been something that I wanted to do and I'm a really sexual person, so it worked out. I got an agency to represent me and the rest is history. I love it.

V-MAG: Before you started modeling, had you done amateur stuff?

SCARLETT: Not, like, homemade pornos or anything, but before this, guys in my dorm would come by and ask me if I'd like to suck their friend's dick on camera as, like, a dare and I wouldn't mind doing it. I love sex and I'm very sexual and not shy about it.

V-MAG: Now, we heard that you have a thing for sailors, is that true?

SCARLETT: I do! I see them in those uniforms and they are all buff and I want them right then and there. They're just so sexy.

V-MAG: So you are one of those girls that prays for Fleet Week?

SCARLETT: Oh, definitely. I am a sailor hunter. I've had lots of them!

V-MAG: Are there any things that you haven't done yet, that you want to do, sexually?

SCARLETT: Um, there are a few. I would love to fuck two men at the same time. I have a fantasy about that but I am hesitant to do it.

V-MAG: Why are you hesitant about it?

SCARLETT: I just don't want it to get too out of hand and I don't want something slammed into me from the front and the back at the same time. I will have to ease into it.

V-MAG: So you've never done DP before? Do you do anal?

SCARLETT: No, I don't. But I would try it. I like to try new things.

V-MAG: Do you stick your toys in your ass when you masturbate?

SCARLETT: Yeah, I have, but it isn't something that gets me off.

V-MAG: So what does get you off?

SCARLETT: I would say I get off by getting good head. I love head.

V-MAG: Giving or getting it?

"My boobs need to be handled. It's healthy!"

he wants a threesome, then she will do it.

She just doesn't like to suck dick, [Laughs.] which is fine because I love to suck dick.

V-MAG: Maybe you can tell us who gives better head, men or women?

SCARLETT: I'd say

It should come as no surprise that Whitney Stevens is sucking and fucking a big cock on the pages of V-mag. Why? Because when this horny lady was in the Feb. '07 issue, she let us know loud and proud, "I just love to fuck. Wouldn't you like to fuck me?" We all would!

Whitney skipped out on college and became a porn star at the age of 19. Now, three years later, she says it was the best move she made. "Most of my friends graduated and have boring, low-paying jobs that they hate. But not me. I love my job! I get to fuck all day and feel good. No pencil pushing for me! Just cock thrusting all day!"

What is Whitney's favorite thing about being a porn star? "Well, besides the sex, I love cum," she said. "I love the way it tastes and feels. If I am having sex and a man doesn't cum all over my tits, I'm not satisfied. I like to see how much of a load he has for me."

Aileen has a smile that is sweeter than sugar, but don't let that angelic face fool you. This vixen will have her way with you...and you'll love it! "I ask guys if they are hungry and then I point to my wet pussy. A man has to lick and taste me if he really wants to fuck me!"

**V-MAG
DEBUT**

A woman with dark, wavy hair is posing for a 'Bare Facts' feature. She is topless, wearing a pink necklace with a large, ornate pendant. She is sitting on a bed with a green and white patterned sheet. She is wearing dark lace underwear. She is making a playful face, sticking out her tongue and puckering her lips. The background shows a window with sheer curtains and a green curtain on the left.

And if a man is hesitant to plant his face in her bush? "I love to finger my pussy and then stick my finger in a man's mouth. It makes me so horny. And they don't seem to mind. A lot of men like to suck on my nipples and although it feels so good, I like it when they suck on my clit, too," says this Georgia Peach. "And although I like to be eaten out, I don't mind it if a man wants to tie me up and gag me so he can pound my pussy. I can be nice and I love to be naughty and bondage turns me on. Yell at me, spank me and give me your cock!"

Aileen not only wants to be spanked, she wants to be face down and ass up while you're doing it! "I love doggie-style!" she says laughing. "It is the best way to get me off. I think it's because since I am so small, it just makes me feel really full of cock and I feel every stroke. And, of course, I like it when my ass is in the air and I am being fucked hard and I look back and ask for a man to slap my ass hard. The harder, the better for me because it really excites me and I cum so hard!"

Vmag™ Talkin' Tits Blog

Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

The things we see when we're out and about...

Let's start with tattoos.

Boob tattoos.

The other day, I'm walking out of a restaurant when I notice this girl, (probably 25 or so) sitting in a booth, talking to her friend. She's built and wearing a scoop-neck top that shows a large amount of natural cleavage. She has a tattoo on her left breast.

I can't tell what the tattoo says. But I know what I'm thinking: Any chick who has a tattoo on her tit is screaming, "Please look at my tits!" She put it there to draw attention to her rack. Now, this babe, if asked, might feed you some bullshit about the tattoo having special meaning or liking its design, but the fact is she could've put it anywhere, and she put it on her tits.

It's a tittoo. Am I wrong about this?

[Want to comment? Contact the blogger at rosenbaumd@scoregroup.com](mailto:baumd@scoregroup.com)

Out & About Part 2: When a chick's top shelf really is a top shelf.

Before I move on, I'd like to point out something about some of the more common synonyms for a woman's breasts, specifically chest, rack and top shelf. What do these words have in common? Well, you store things in chests and on racks or shelves. So, is a woman's chest/rack/top shelf a storage place for something...like, our cocks?

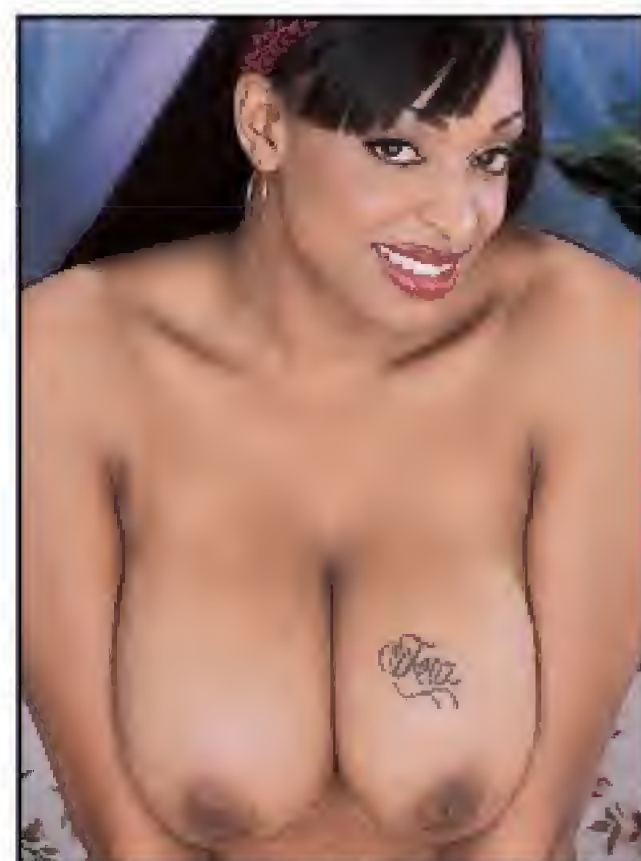

Okay. Enough of that nonsense. Let's move on to some more nonsense. Specifically, when a chick's top shelf really becomes a shelf. When a woman is wearing a bra so uplifting and a top so revealing that her rack actually becomes a shelf.

Meaning that it looks as if you could store something right on top of it. Stacked storage, if you will.

For instance, the other day, I'm in a store. The saleswoman—a young voluptuous chick—is wearing exactly the outfit I just described. Acres of cleavage. And her name tag, which would hang down on a less-endowed woman, is sitting *on top* of her breast flesh. Nowhere to run to, nowhere to hide.

Her top shelf had become a shelf. And that's something you just don't see too often.

When a woman puts a tattoo on her tits, it's like she is asking you to stare.

Heavyweight Boobs

I'm going to tell this story at the risk that you, the reader, will get tired of seeing newcomer Renee Ross's naked tits.

Yeah, like that'll ever happen.

So I'm in the studio yesterday, interviewing Renee. And when we're done, she turns around and says, "Could you unhook my bra for me?"

Screeeeech! Yep, she really did say that to me.

So, being a gentlemen, I did it. Of course. And as I unhooked the clasps, I felt incredible weight...boob weight. But boob weight like I'd never felt before, pressing down, pulling the straps out of my hands.

"Sixteen pounds," she said.

At the very least.

BE NORMAL. FUCK.

L.H. from Australia writes, "In 2009, we must not turn back the clock to the 1990s, when women did not fuck [in magazines and videos]. Fucking is now normal and not fucking is certainly abnormal. Read the interviews you are doing and you will see that the girls want to fuck as part of their life. It is normal. So all girls need to fuck for you. Those who don't fuck are abnormal. Normality is what you make it. If you say to the models, 'The fans will only buy if you fuck, and therefore everyone fucks,' then all of the models will fuck. They'll compete against each other."

I wish this were true. But L.H., I'm glad you think it is.

KNOCKED UP KNOCKERS!

Vmag™ takes a look back at the chesty preggos and milking mams that make us rock hard and hungry!

STEP RIGHT UP TO THESE SUPER SUCKLERS AND GET A TASTE!

Emma
November 2003

What is it about pregnant women that make them desirable? Is it that special glow that they get? Or is it that they are hornier than ever? Or perhaps, it's that their tits get even bigger and more sensitive than before? We think it's all of the above! Brit Emma (above) is proof that preggos are great!

Loma Morgan
October 2009

Super titters Lorna Morgan (left) and Kelly Kay (above) were the stuff of jack dreams already and then they posed pregnant and became legends. "Posing during this time in my life made me feel sexier than ever," said Lorna. We totally agree.

Kelly Kay
Chesty Peggos

There is something about the darkening of the areolae when a woman becomes pregnant that makes you want to put her nipple in your mouth and suckle. India (above) said that her peaks became more sensitive while pregnant and Denise (right) said, "Now that I am pregnant, I can't stop playing with my heavy, full breasts. Pulling on my nipples can make me orgasm!"

Denise Davies
March 2005

And what about these ladies' full and furry triangles? Most pregnant women, like Jenny (above) stop removing the hair on their pussies while pregnant and go natural. In this society, where bushes are taboo and pussies are usually bare, we are not complaining. "I love running my fingers over my hairy pussy," said Mary Louise (right). "It feels good to the touch and I like how it gets slick with my juices when I masturbate, too."

It might have been the tropical air or maybe it was the excitement about her new DVD, *Ashley's First Time*, being released, but Ashley Sage gave off such smoldering sex appeal in these photos that we had to take a moment and, um, enjoy them. "I'm not usually naughty," she told photographers with a smile, "But I feel so sexy and free out in the open! Like I could do anything." We say go with that feeling, Ashley.

Being out in the open must have made her feel free and wild because Ashley jumped in the pool and started rubbing water all over her voluminous J-cup tits and laughing while we shot pictures. "Do you think that they will like it if I hold my breasts like this?" she said while cupping her tits and licking them for the camera. "Or do you think they'd like to see them like this?" she laughed while floating on her back and letting her boobs fall to her sides. Our opinion is that we like Ashley's tits however she wants to show them to us. They are that amazing.

And just when we thought that it couldn't get any better, it did. While our photographers changed cameras, something wet and blue came flying out of the water and landed at their feet...Ashley's bikini bottom! The normally shy 21-year-old, who wouldn't take her panties off before, winked and said, "I want to feel free!" and splashed them with water. And while she wouldn't spread for them, she did give them a peek of her pussy lips!

Interview by **Maria Guerrero**

When you first see Michelle May, you might be drawn in by her big, bulging E-cup tits. (Hey, we'll admit it. We were.) But then, if you get a chance to sit and chat with this 24-year-old California native, you might just

be impressed by something else other than her wonderful tits. (Yeah, we said it.) You see, Michelle has brains. Michelle might just have as good a head on her shoulders as she has a pair of tits and that might be the reason you fall in love with her. That and the fact that she loves sports and cars almost as much as you do!

V-MAG: Welcome to *Voluptuous*, Michelle. We're glad to have you here.
MICHELLE: Thanks. It's nice to be here.
V-MAG: Now, first and foremost, we hear that you are a big sports fan. What is your favorite sport and team?
MICHELLE: I love football and I am a Chargers fan and I like the Cowboys.

V-MAG: How does a girl with a rack like yours get so into sports?

MICHELLE: A girl with a rack like mine gets into sports by never really getting along with girls at all. I get along with men. In fact, I think that I think like a man, so I get along with men better. I say what I mean and I mean what I say. I am not coy. I don't think I ever learned to be coy. So because I am blunt, girls don't get along with me. They think I am a bitch. But men don't. Men appreciate that. I think men are simple. Not sexually, but they just say what they mean. They tell it like it is. And sometimes that comes across as mean, but I don't think that men are mean, they are just truthful and I can appreciate that. So I liked to be around men and not girls and being around men, I watched and learned to love sports. I am really into football.

V-MAG: Were you a tomboy?

MICHELLE: No, I wouldn't say

that I was a tomboy. My dad raised me, but I was a girly-girl. I just didn't get along with girls. Girls are petty and mean and I am not like that and I definitely don't like that.

V-MAG: When did your boobs start growing, Michelle?

MICHELLE: Um, the summer between my freshman and sophomore years of high school. One summer I went from a small B, to a very full D. I was in excru-

ciating pain. Going up two cup sizes in a few months was really intense. And it was tough because in school, I was a dancer and then all of a sudden I had big boobs.

V-MAG: What kind of dancer were you in high school?

MICHELLE: I did ballet. But after my boobs grew, I quit. I had to because I looked ridiculous. I had this giant chest in this sea of flat-chested ballerinas. I guess you can say that my cups had runneth over. [Laughs.]

V-MAG: So you grew two cup sizes in one summer? How did people react when you came back to school and all of a sudden you had these huge knockers?

MICHELLE: I got a lot of smiles and winks from a lot of the guys. I

wouldn't say that I was hated on because I went to school in California and everyone showed a lot of skin. I mean, it is commonplace for people to walk around half-naked in California. I would say that I was the flavor of the week, for maybe a week and then people got over it. I got the nickname Shelly Big Boobs and Tits McGee. It was all in good fun. No one ever went out of their way to be nasty to me.

V-MAG: Did you play sports when you were in high school?

MICHELLE: No, I was a girly-girl so I just did dance and that was it.

V-MAG: Tell us Michelle, what kind of guys do you date?

MICHELLE: I like jocks. The more muscles the better and the more aggressive, the better.

V-MAG: You like aggressive men?

MICHELLE: Uh-huh. Well, I don't think that aggressive is the right word because I don't want to be with

a man that is going to, like, beat on me. [Laughs.] I think, maybe, assertive is the right word. I think that assertive men are a turn-on for me. I like a guy who will take charge. I am not coy, and I don't like people who are. I like assertive men who don't seem phony. I don't want a wimp. I like men who open the door for me and who scoot me through it. I like men who approach me and are straightforward. I don't like games.

V-MAG: Are you submissive with men who take charge?

MICHELLE: You know, I go back and forth. Sometimes I can be the person who is in control, but I do like to be submissive to a strong and assertive man.

V-MAG: Now, a few minutes

A full-page photograph of a woman with long blonde hair, wearing a white short-sleeved shirt and black lace-up underwear. She is posing in a suggestive manner, with her hands on her hips. The background is a blue wall with a green plant on the left.

"I like to be fucked against the wall..."

before this interview, you offered me some advice about my car when you heard I was having car trouble. Could it be that you are into working on cars AND you love sports?

MICHELLE: [Laughs.] Yeah, I am. I have an older brother and we used to work on cars together. I helped him rebuild a Chevy Nova, and a 1967 Mustang. We worked on a Shelby together, too. I used to pound out dents with him, I worked on the upholstery and I can put a carburetor together, too. So, yeah, I like cars.

V-MAG: Wow! So you're like every man's dream girl, huh?

MICHELLE: [Laughs.] Well, you know I like history, too. I'm very studious

and I love to read, too. So I'm smart, too. It's not just sports and cars.

V-MAG: So, you're one of those nerdy, geeky chicks with a rack...

MICHELLE: I wouldn't say that I am a nerd. There's a balance. But, I am well read and I enjoy learning, so I guess I am a little bit of a nerd. [Laughs.]

V-MAG: Now you told me earlier that your favorite movie is *Gone With The Wind*. Are you a romantic, Michelle?

MICHELLE: Yes. I am a hopeless romantic. I can quote that movie from the first line to the end.

V-MAG: Are you a Rhett Butler fan or an Ashley Wilkes type of girl?

MICHELLE: Ashley Wilkes can go build a fence! I am a Rhett Butler fan.

V-MAG: Spoken like a girl who likes assertive men.

MICHELLE: [Laughs.] Exactly.

V-MAG: Lets talk about what you do on your spare time. Since you were a dancer in school, do you go out dancing a lot back home?

MICHELLE: I don't really like the club scene these days. I am a little bit of a claustrophobic person and the clubs in California are so crowded. I just don't like to be crowded by a bunch of people and have them all over me. But I do dance around in my underwear at home a lot.

V-MAG: What kind of music do you listen to when you are dancing around in your panties?

MICHELLE: I like alternative rock and classic rock. I like some pop.

V-MAG: Do you go to concerts?

MICHELLE: I actually like to go to jazz bars. I think that jazz bars are great to go to when you are on a date. I like to just relax and listen to music and sip on a gin and tonic or a white Russian. I like to go places where you can go and have a conversation with someone. I hate the idea of having to yell at someone over loud music.

V-MAG: You said that you like assertive guys. How do guys usually come up to you and hit on you?

MICHELLE: They usually just walk up to me and ask me if I would like a drink or what my name is. I like men who keep it simple like that. When a guy tries to pick me up with corny pick-up lines or by playing games, I am turned off. Just be yourself and say what you mean.

V-MAG: Now what are some of your fantasies, Michelle?

MICHELLE: I like bondage.

V-MAG: Why do you like bondage?

MICHELLE: I don't know. I just like cops and military men and uniforms. And those uniforms usually come with something that can be used to tie you up with. I think it's because I am such a control freak in my life that I like to just be submissive during sex. I like losing control.

V-MAG: Is it because men in uniform are so disciplined?

MICHELLE: Military men and men in uniform usually like to take charge of the situation. They are so on-task and they take control and I love that. I love to be with a man

who can just call the shots and be the one who says what is going to happen. Giving up my control to someone like that is very hot.

V-MAG: You're a tall girl; do short guys hit on you at all?

MICHELLE: Yeah, in college I dated a short guy but he had a Napoleon complex and I don't like that. He'd freak out when guys would, like, say hi to me. I don't like that kind of control. That's a major turn off.

V-MAG: So no jealous guys?

MICHELLE: I think that some jealousy is okay because every girl wants to feel wanted and like she is the only one. But I don't like guys who are going to pick a fight with every man on the street so that I have to use my savings account to bail him out of jail.

V-MAG: So, what's all this we hear about you wanting to have sex in a burning building?

MICHELLE: [Laughs.] I was dating a fire captain, he was quite older than me, and he told me that he was on a call and that he saw a box of Lucky Charms and that they reminded him of me because I have a four-leaf clover tattoo. So he said it was hard to concentrate on fighting a fire because he kept thinking about me. And ever since then, I have this fantasy about having sex in a burning building with a fireman. It's my favorite fantasy.

V-MAG: You said he was older than you, are you into older men?

MICHELLE: Yes. I want someone who is established. I don't mean financially. I mean emotionally. They aren't flighty. They are consistent. I just don't like flaky men.

V-MAG: You told our stylists that you once had sex on the 50-yard line of a stadium, let's discuss that.

MICHELLE: I once dated a guy in college who said he wanted to have sex on the 50-yard line and so one night we snuck into the stadium and we went at it. It was hot.

V-MAG: So you're saying that you are the adventurous type?

MICHELLE: Yeah, I am adventurous.

V-MAG: What's your favorite for a man to do to you, Michelle?

MICHELLE: I like it when a man pushes me facedown into my pillow, grabs my hips and fucks the shit out of me. I don't like a lot of foreplay. Just fuck me. I like to be taken and ravished by a man when I have sex.

Every time that Samantha graces the pages of V-Mag, it's like the first time. With her always sunny personality and her sass, this plumper draws men in like flies. Her sexuality

knows no bounds but she says that is just part of her charm. "Amazingly enough I never watch porn because I don't want to be influenced by anyone else's performances."

Sam says she doesn't like to watch porn because she likes to keep it original and be herself whether she is in the bedroom or on set. "When you go to a strip club, all the girls dance alike because they all watch each other and pick up each other's moves," she said. "If I watched porn, I might pick up on other people's moves, and I don't want to do that. People tend to mimic things even if they don't realize it."

"On film I just want to be me. Maybe turned up a notch or two, but I still want to be me," said Sam. And when she is not having sex, she likes to spend time unwinding in the kitchen. "I'm a good cook and that's a creative outlet for me. I'm very talented in the kitchen, and of course in the bedroom." That makes her the perfect woman, right guys?

SCARLETT ROUGE

Continued from page 20

SCARLETT: I like to get it. But I like to suck dick, too.

V-MAG: What do you think is the best way to give a blow job?

SCARLETT: The trick to a good blow job? Keep sucking! [Laughs.] I think you need to make sure that it is nice and lubed up and that you don't get teeth in there. Teeth and blow jobs do not mix! And just deep throat as much as you can, but don't throw up. You have to relax the throat and then it will go down easier.

V-MAG: Do you like to play with balls when you suck a cock?

SCARLETT: Oh, yeah! I like to drool and spit all over a guy's balls and then rub and play with them. Squeeze them gently while I suck it. And you have to suck the balls. A lot of girls don't like to do that, but I think it's important to suck on them. You have to incorporate a little bit of everything when you are down there so that you can make a guy feel good.

V-MAG: And what about cum?

SCARLETT: I like it when a guy cums in my mouth. It's, like, what I am working for when I am sucking and stroking it. I want that cum in my mouth and I always get it!

V-MAG: And do you spit?

SCARLETT: Oh, no! I swallow. I like to swallow cum. I think it tastes good.

V-MAG: Now we are sure that guys take a look at your tits and they want to cum all over them, right?

SCARLETT: Most guys want to cum on me. I like it, actually.

V-MAG: And your tits, too, right?

SCARLETT: Actually, I don't think that I've ever had a true boob man. Most guys I am with are not that into tits so they don't really cum on them.

V-MAG: How is that possible? No man has ever been all about your breasts in the bedroom?

SCARLETT: No. Not at all.

V-MAG: Wait, but do you use your tits during sex? Like tit jobs?

SCARLETT: Yes, I have.

V-MAG: But they are not into tits?

SCARLETT: No. Most men are about asses where I am from.

V-MAG: But you don't do anal?

SCARLETT: No. They are just into asses and pretty faces. But I try and convert them with my tits.

V-MAG: And do you succeed?

SCARLETT: I hope that I do! [Laughs.] I hope that I turn them into tit men for the next busty girl to enjoy!

V-MAG: Speaking of busty women, do you like women with big tits?

SCARLETT: Yeah, I like big tits. In fact, I won't be with a woman who has anything less than a DD-cup.

V-MAG: What is it about big tits that you like, Scarlett?

SCARLETT: I just like something big to hold on to. Well, other than my own tits. [Laughs.] I like full, big tits.

V-MAG: And what do you do to these big tits that you love so much?

SCARLETT: I like to squeeze them and I love to suck on nipples. I think it's hot to lick a woman's nipples until she is writhing, horny and out of control.

V-MAG: Are your nipples sensitive?

SCARLETT: Yes they are. Very sensitive. I love it when people play with my tits. It feels so good. What can I say? My tits need to be handled! It's healthy. Well, I think it's healthy.

V-MAG: Hey, we agree with you! So tell us some of your dirty, kinky secrets. You know, the good stuff.

SCARLETT: [Laughs.] Um, I like to play dress-up when I fuck.

V-MAG: Explain that, please.

SCARLETT: Well, sometimes I like to dress up as a schoolgirl or whatever for the guy I am fucking. I like it when they spank me and all that.

V-MAG: Do you have a schoolgirl fetish? Or is it just dressing up and role-playing with the men you fuck?

SCARLETT: Um, I would say it's the role-playing. I have a sailor costume that I have men put on for me when we are going to have sex.

V-MAG: There is the sailor thing again. Do you have any other obsessions other than sailors?

SCARLETT: Oh, Pam Anderson. I love Pamela Anderson.

V-MAG: You like sports, you're horny all the time and you like Pamela Anderson...you're like a guy!

SCARLETT: [Laughs.] Yeah, I guess that I am, but I have big tits!

V-MAG: Well, thank goodness for that. We say, don't go changin', Scarlett!

SCARLETT: Oh, I won't.

V-MAG: Well it looks like they're ready for you on the set. Thank you for sitting with us today, Scarlett.

Out & About Part 3: "She's all tit!"

Way back when I was in high school, the bustiest babe in school was a brunette named Donna Bentivegno. I'll never forget her name...or her chest. This chick always showed it off.

That was back in the late 1970s, a time when public schools (at least on Long Island) didn't have dress codes. One day, Donna came to school wearing a halter top. And as my friend and I passed her in the hall, he looked right at her and said, "Holy shit, she's all tit!" What he meant was that her tits so dominated the upper half of her body that they obliterated everything else. When you looked at her, all you saw was tit. You couldn't see her waist because a wall of tit was in front of it.

Two V-Mag models come to mind as being "all tit." One is Chaz. The other is newcomer Renee Ross. Their breasts are so big that they overwhelm the upper half of their bodies, making it seem as if they don't even have waists. People used to think Chaz was an XL Girl until they realized it was breast, not waist, they were looking at.

Donna, Chaz and Renee are the only girls I've ever seen who fit the description of "all tit." Do you know one? If so, why haven't you sent her our way?

Out & About Part 4: Posture

Girls, wanna add a visual cup-size or two to your current measurement without the use of creams, enhancements or other dubious measures? It's simple: Improve your posture.

The other day, Associate Editor Elliot James and I were out having lunch when, simultaneously, we spotted a chick wearing a sheer, white top (we could easily see her bra), nipples poking through, looking super-stacked. We couldn't take our eyes off of her (even though her hulking boyfriend was standing next to her the whole time).

"Look at the tits on her!" I said, and Elliot was about to agree when he pointed out that her posture was flawless. She was standing perfectly straight with her chest out. A Buckingham Palace guard couldn't have been standing any more erect than she was.

Speaking of erect...

Anyway, upon closer inspection, I realized that what appeared to be a pair of DD-cups were probably no more than large C-cups. But because of how she carried herself, she looked bigger.

I should point out, by the way, that my cock didn't conduct this extensive, on-the-spot analysis and continued to react as if she were a DD-cupper. Go figure, huh? God bless the cock for conveniently ignoring reality.

So, for all you chicks out there who are thinking about going under the knife to get bigger tits, I have a piece of advice that'll save you time, money and maybe even a lot of pain.

Stop slouching, please.

Oh, one more piece of advice: Hard nipples will make your tits look bigger, too. Keep ice cubes handy.

Out & About Part 5: Proper PDAs

PDA. That's public display of affection. Shoving your tongue down your girlfriend's throat in front of her parents or in a temple or synagogue is an inappropriate PDA.

You might say that walking down the street with your hand on your girlfriend's ass is an inappropriate PDA, too. Some might disagree. But most people don't look twice when a guy is walking down the street with his hand in his girlfriend's back jeans pocket. That's what I saw the other day while in downtown Fort Lauderdale.

Okay, so to recap the visual: Couple walking down the street. Guy is on the left. Guy has his hand in his girl's right back jeans pocket.

Now imagine this: Couple walking down the street. Guy on the left. Guy has his hand over his girl's right tit.

Most people would view this an inappropriate PDA. In fact, everybody would. It's something I've never seen. But how come clawing the ass is okay but clawing the tits is not okay?

Why is ass treated so much differently from tits in today's society?

For example, it's considered playful to pat a chick on the ass.

Try patting her on the chest and see what happens.

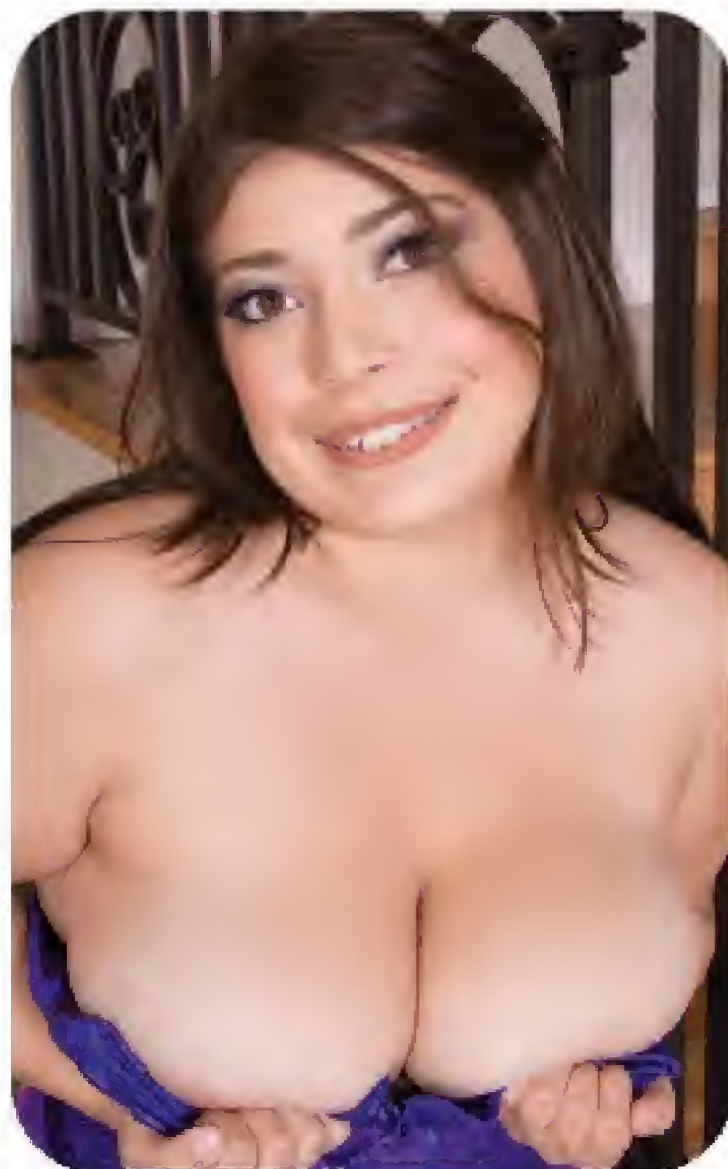

This belongs in the same discussion as why saying "Nice ass" is sometimes okay but "Nice tits" is never okay.

I guess I'll just never learn.

**"Play with
my Tits and
my ASS..."**

Lola Lush

When we last saw Lola in the May '09 issue, her dreams of posing naked had just come true and she couldn't wait to explore more of her fantasies. "Posing was the best thing that could have happened to me! I get so much attention and I never spend any lonely nights alone. I have men lining up to cup and suck on my tits. My sex life is fantastic and I can explore all of my kinky fantasies...like having someone lick my ass!"

Lola Lush

Birthday: March 2, 1989

Age: 20 **Height:** 5'5"

Weight: 180 lbs. **Bra:** 38DD

Measurements: 42-30-45

Lives: Phoenix, Arizona

Occupation: Model/actress

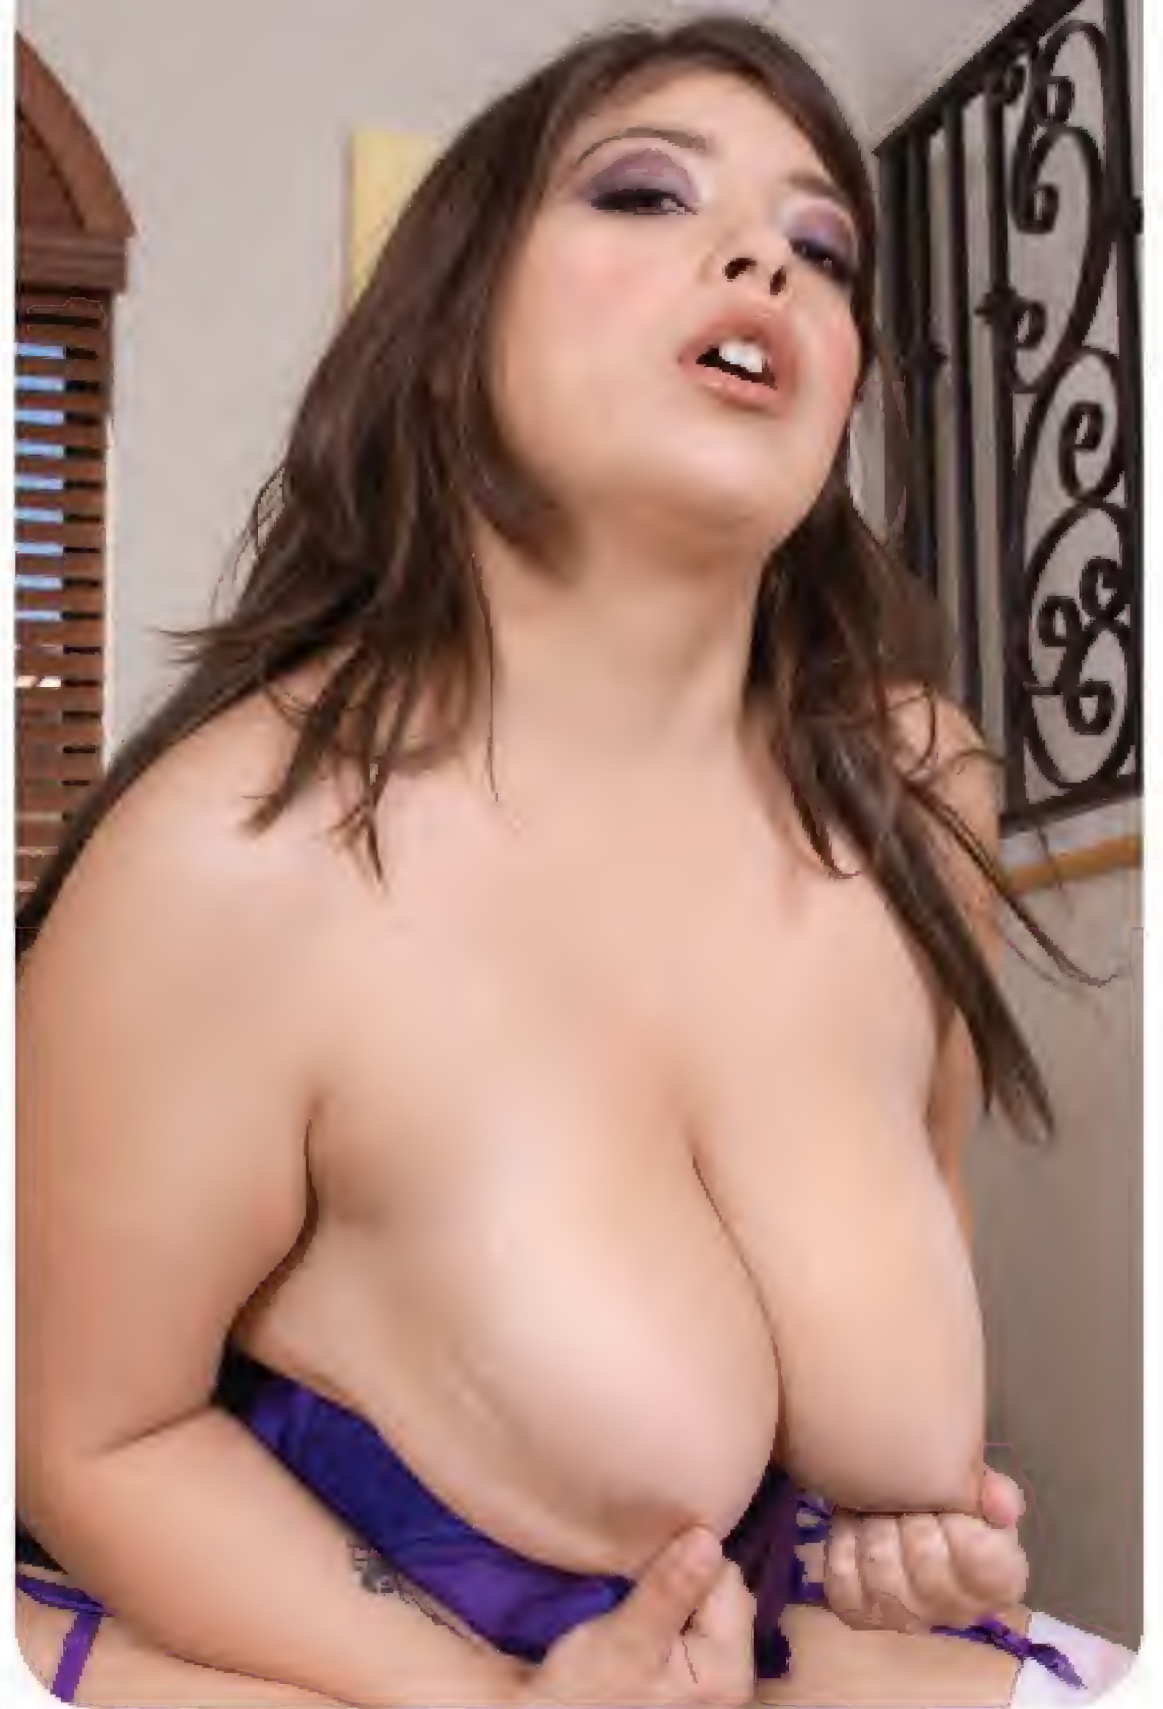

Previous *Voluptuous* Appearances:

Hobbies: Making naughty
videos and masturbating.

"Men used to just want to fuck me in the missionary position so that they could play with my tits at the same time and that was fine with me," said Lola. "But one day while I was masturbating, I started rubbing my vibrator on my asshole and it felt so good! So, it was only natural for me to try and stick the toy in my asshole next. Then before I knew it, I was grinding my ass on my toy and cumming so hard that my thighs were shaking fast and my pussy was dripping!"

"I love to stick fingers in my ass when I have sex or even when I'm just masturbating. It makes me cum that much harder and I'll admit that I am addicted to the feeling. The best way for me to cum is with a cock in my ass and me pulling my nipples really hard."

MICHELLE MAY

Continued from page 63

V-MAG: So you like doggie-style?

MICHELLE: Or reverse cowgirl.

V-MAG: Why don't you like foreplay? Aren't you Mrs. Rhett Butler, *Gone With The Wind*, romance chick?

MICHELLE: [Laughs.] Yes, but I just want to skip the foreplay and fuck.

V-MAG: Do you like your clit flicked?

MICHELLE: Oh, yes! I masturbate in traffic a lot. I like cumming like that.

V-MAG: Are you attracted to women?

MICHELLE: I experimented in college with my roommate, but it was just touching and nothing serious.

V-MAG: Why did you decide to pose?

MICHELLE: I did it to pay for school and I kind of smile at the idea of some guy beating himself senseless to me.

V-MAG: What do you wear when you are out and about in public?

MICHELLE: I like cutoffs and a tank top with no bra. Or a sports bra.

V-MAG: You go out with no bra on with your E-cups to the wind?

MICHELLE: Yeah, it's comfortable.

V-MAG: And distracting! You must cause car accidents and neck injuries!

MICHELLE: [Laughs.] Yeah, men fall over themselves when I'm braless.

V-MAG: During sex, what makes you cum the hardest, Michelle?

MICHELLE: I think it all goes back to the control thing. I like to be taken by a man. I like to be pushed against the wall and fucked and lifted up and pushed onto a bed. I like dirty talk, too. And I like to give a man head, too.

V-MAG: What kind of dirty talk?

MICHELLE: [Laughs.] I don't want to be called nasty names or anything like that. I think I just like a man to tell me that I make him feel good. That will make me cum very hard.

V-MAG: Do you give good head?

MICHELLE: Yes, I have almost no gag reflex. I breathe through my nose and I can take it down. I like to swallow, too.

V-MAG: What about tit fucking?

MICHELLE: I've done it, but I don't get off on it. I do it for the man I'm with.

V-MAG: Unfortunately, Michelle, we are being signaled that they are waiting for you on set. We want to thank you for taking time to sit with us.

MICHELLE: Thank you for having me.

V-MAG: Oh, and thanks for the automotive advice, too!

MICHELLE: I'm glad to help!

heels and tight shirts and my dick gets so hard that I am grateful for the boner cover that my desk provides. You can imagine my delight when I caught a glimpse of Lola Lush, bent over with a horny look on her face on the cover of the May issue. I bought the mag and couldn't wait to get home to see her. She didn't disappoint! With her pouty lips, pretty tits and her furry pussy, Lola is the best girl you've ever had in Voluptuous. I thought I'd died and gone to heaven! Please feature Lola again! She is my fantasy girl and I want nothing more than to fuck this chubby princess for hours on end! I'd like to shake your hands and thank you for putting her in the mag and if it's not too much to ask, please bring her back.—C.E., Brooklyn, New York

Dear C.E.: Please turn to page 77 and do two things for us. The first thing we ask is for you NOT to die and go to heaven. The second is that you beat your hard meat and welcome Lola Lush back to the pages of V-mag. You can shake our hands and thank us later...just wash your hands first!

JOLIE RAIN: THE HOTTEST REDHEADED V-GIRL EVER!

Dear Voluptuous,

Redheads are my weakness. Especially if they have big tits and love dick, which most do because my theory is that all redheads are naturally fiery in the bedroom. (And believe me, I have tested this theory a lot and my findings are pretty valid.) I've had some pretty curvaceous redheads in my time, but none who are as hot as Jolie Rain. When I saw her, I knew that I had found the best-looking redhead around. I would venture to say that she is probably the hottest redhead you have ever featured in V-mag. I mean, ladies like Cherry Brady were all right, but not as hot as Jolie. And the pierced nipples on this girl! They are awesome! I bet you she got them pierced so that she could pull on them during sex. Those redheads are firecrackers in the sack, man!

Bring her back. In fact, you should make a video of just Jolie and I would buy multiple copies. Come on, there have to be guys out there that agree with me! Jolie is the hottest V-girl ever! —A.Q., Jackson, Mississippi

MISSING DENISE DAVIES

Dear *Voluptuous*,

Denise Davies is one of my favorite models because of her big areolae and I haven't seen her since she was in the April 2008 issue. Did she retire? It would be a shame because I think that she has the most-perfect tits and she makes me jack like crazy. I really like her long hair, too. I think that my favorite shot from the April issue is the one on page 82 where her long hair and her big tits are prominently displayed.—H.L., Flint, Michigan

Dear H.L.: We suggest that you pick up a copy of the Feb. '09 issue and check out Denise, her big, brown dugs and her hair in braids. We think you will appreciate the shot of her on page 56 where her long braids framed her big tits. You can get a copy of her issue on page 11. Enjoy it, buddy!

PLUMPER NINA STAR MUST BE CASSITTY IN DISGUISE!

Dear *Voluptuous*,

I picked up your June '09 issue and it sparked a debate with my friend, who is also a *Voluptuous* reader. We thought that maybe you could solve this for us.

When I turned to page 65 and saw Nina Star I was shocked! Not by her big black tits, which I would love to suck on, but by her resemblance to Cassitty, another fave of mine. Could it be that Cassitty gained a lot of weight, especially in the tit area, and came back reinvented as Nina Star? I argue that yes, it is Cassitty and my friend says no, that Nina Star is a totally different model. Could you clear this up for us? We have a \$20 wager on this little debate. Thanks!—M.K., Syracuse, New York

Dear M.K.: Nina Star is NOT Cassitty. Sorry man! Fork over that \$20!

Dixie Devereaux

You may remember Dixie from the Aug. '09 issue where she said, "I like to dress up and take control, so the guy's the submissive and I am the dominant." Well, what else could we do but make Dixie's horny, little fantasies come true? "The minute I saw the cop uniform, I knew I was going to cum!"

**You're
Busted!**

Dixie was a natural when it came to playing a parole officer for her feature DVD, *Sexed & Suckled*. "Being in charge and talking down to men excites me beyond words. I am a little woman, standing only 5'1" so taking down a big man is a real turn on for me. Being the boss in the bedroom is lots of fun. But I am not one of those man-hating women. I love men and love cock, so after a few rounds of dirty talk, I am down on my knees sucking cock and loving it."

Bare Facts

Dixie Devereaux

Previous Voluptuous Appearances:
August '09 (interview)

But her penchant for a little domination is not the only thing that this F-cupper likes. "I have lots of fantasies that involve women. But not just, like, me and another woman. I like to fantasize that I am with three or four women at a time and we are licking and fingering each other while a man sits in the corner and watches us play. Then we all take turns with his cock and each other in a sweaty, sticky orgy on the bed."
